CITY OF RALEIGH BUSINESS LICENSE DISCONTINUED EFFECTIVE JULY 1, 2015:

Please be advised that the City of Raleigh Business License will be discontinued effective **July 1, 2015**. In May of last year the North Carolina General Assembly passed House Bill 1050 which eliminated the authority of municipalities to levy a business license tax. Your current business license which expires on June 30th will not need to be renewed. You should not receive any further correspondence from our office regarding business license tax unless you have outstanding taxes from prior years. **Collection efforts will continue for any outstanding tax amounts due.**

Although the business license tax has been eliminated, this legislation has no impact on Beer and Wine and Regulatory License requirements. These licenses will remain in effect and will need to be renewed annually.

Should you have any questions regarding this matter please contact the Revenue Services Division at (919) 996-3200, Monday through Friday, 8:30 AM to 5:00 PM. It has been a pleasure to serve you over the years. Best wishes for your continued success.

Sincerely,

Revenue Services Division
